

**THE PARISH REGISTER OF MORESTEAD HAMPSHIRE 1550 to 1935**

**MORESTEAD MARRIAGES 1550 to 1935 - GROOM**

Morestead Marriages from 1837 to 1851 have two records and the information from both records have been combined.

Records for the period 1813 to 1925 transcribed from microfiche in March/April 2009 and for the period 1925 to 2006 from original records in July/August 2006

The transcription made by D Pierce for the period 1549 to 1980 have been used with his permission and checked against the transcriptions made by BMS from 1668 to 1925, and where differences have arisen these have been considered and action taken.
